---

Afternoon Ed,

Pursuant to our discussions earlier today, please see below for the items we discussed.

- CM Felder is requesting from EPA a confirmation if EPA can attend the community meeting or not by 3pm today (Nov 20th) . CM felder would like to include EPA's logo on the flyer if EPA is able to attend
- Ms. Elena relayed to me 5 speaking points EPA could address
  - o A 15 minute presentation with 45 minutes for Questions and answers
  - o During the presentation, CM Felder would like EPA to address the following questions he has received from his constituents in District 7;
    - How and When was the contamination discovered at Lane Plating
    - CM Felder is requesting from EPA to collect samples and analyze the soil and groundwater in and around Joppa Preserve; he also wants the EPA to perform medical testing on citizens who live in Joppa Preserve
    - If residential properties in Joppa Preserve are impacted by releases from Lane Plating Works, are their funds from EPA to either help relocate, purchase, or remediate these properties?
    - Is there or will there be funds to help cover medical costs for Joppa preserve citizens who may be impacted by the releases at Lane Plating

As we discussed on the phone, please at your earliest convenience contact Ms. Elena with Councilmember Felder's office regarding confirmation for attending the community meeting next Thursday. Please let me know if you have any other questions, concerns, or comments! Thank you in advance sir.
